Hello and Thank You from Steve and Karen Allison,

*Apollo 11 was the spaceflight that first landed humans on the Moon. Commander Neil Armstrong and Lunar Module Pilot Buzz Aldrin formed the American crew that landed the Apollo Lunar Module Eagle on July 20, 1969. When they finally arrived on the moon after months and months of preparation, Neil Armstrong famously said **"the eagle has landed"** and that's how we feel. After months and months of preparation, we have landed.*

Our home base was in Earlham, Iowa for the last 20 plus years and we watched our children grow up and move on from there. Then God made a way for us to begin planning a new adventure in a brand new place! At first, the idea of going from the safety of home off to a new place was a bit overwhelming; but God kept taking away fears and obstacles. The Lord provided servants to help with both emotional comfort and all the physical work of moving. God has clearly been in all of this.

Karen and I want to say thank you to all of you who helped us load trucks, unload trucks, and unpack. Ryan, Laura, Jacob, Seth, Nathan, Kellan Schmidt. Wayne and Cathy Lotz, Jerry Dufur, Roger and Connie Curry, Hannah Herrman, and Gail Horst. Your many hands helped guide us in for touchdown; and our new adventure begins.

So maybe you're asking "why the space reference"? Because all of these transitions have been in the new COVID 19 world, or total new world feel. I find myself asking how does a church lead, grow, reach out, and show love in this new world? How do you encourage people to invite their friends to come to church or join a group in a world where gathering is at the root of spreading something bad? It feels a little bit like Apollo 13 that had limited resources and a big problem. They had to figure it out and make do with what they had right where they were and there were no excuses... only results.

This is where we have landed...all of us (church family). A new world that still needs salvation, a Savior, Helper, and Friend. God will help his church land in a new place in a new way. He will help us reach out in new ways, see in new ways, and love in new ways. Together as a church we can make Jesus famous in the greater Port Byron area. I believe that is why God has had me land here. To be a part of a new adventure in a new land to do great things for His kingdom.

Steve Allison

"Therefore, my beloved brothers, be steadfast, immovable, always abounding in the work of the Lord, knowing that in the Lord your labor is not in vain."

1 Cor. 15:58

My prayer is that you will be up for this new mission as well. I would love to hear from you. In the tradition of flight and space travel, radio communication, or whenever communication is made and heard... the proper response is "Roger That". If you have read this and will join me (with the church family) on this mission, would text me right now? Simply text me "Roger That" at (515) 971-0861. Add your name so I can enter you into my contacts as we lift off on the mission of sharing Jesus in our community.

*Blessings,
Steve*

“Lincoln Bible Institute, ‘LBI’ was born in the mind and heart of Earl C. Hargrove in 1944 as the result of a God-given vision. From the very beginning unto this very day, countless people have sacrificially provided the resources to carry out this God-given vision of supplying dedicated and well-trained workers for the Kingdom.” (Sept. newsletter)

Lincoln Christian University (initially Lincoln Bible Institute, then Lincoln Christian College and Seminary, now Lincoln Christian University) was launched on May 4, 1944, to help prepare people to carry out God’s effort through the church. For decades, LCU has trained servant leaders to serve the church and world. Mr. Hargrove, LCU’s founding president, stated: “We need Kingdom workers.” In addition to supplying churches with preachers, LCU has trained worship ministers, youth ministers, church secretaries, Christian education directors, small group leaders, elders, Sunday school teachers, mission committee members and a host of other roles in the church. We are thrilled that God has used so many who took classes at LCU to help build His Church.

For nearly 75 years, LCU has been educating Kingdom-minded leaders to serve in the church and the world. More than 16,000 have studied there. Hundreds of men and women are currently studying at Lincoln Christian University, learning how best to communicate the Word of God to this generation and the next.

The spring of 2020 brought about unexpected changes due to the Corona virus. Classes on campus were suspended at spring break and became learning virtually. The spring brought a new

president to LCU as Don Green retired. Silas McCormick became the new President. Plans for classes this coming fall are being evaluated in response to the virus restrictions.

Countryside Christian Church offers scholarships to students attending full time at LCU or other Christian Universities. Currently LCU provided interim ministers to us during our time of our preacher search. We are so grateful for this assistance.

MEETING TOGETHER

In Isaiah 43:19, God proclaims, "See, I am doing a new thing! Now it springs up; do you not perceive it?" (NIV). God's process of creating is active and ongoing, meaning there's always something new for us to notice, grasp and learn.

This month we learned to do some new things....we held church in the parking lot for two weeks and then we ventured indoors on Father's Day Sunday for the first time. Our service looked a little different as we modified things for social distancing but we were all so excited to gather together once again!

We are still continuing to post the services online and we have offered a separate venue in the gym for a child-friendly service.

We look forward to growing in our worship and continuing to meet with one another. I love this quote from Thomas Merton in *No Man is an Island*,

"God's will is not an abstraction. It is a living concrete reality in the lives of [people], and our souls are created to burn as flames within his flame. The will of the Lord is not a static center drawing our souls blindly toward itself. It is a creative power, working everywhere, giving life and being and direction to all things, and above all forming and creating, in the midst of an old creation, a whole new world which is called the Kingdom of God."

"Therefore, if anyone is in Christ, he is a new creation. The old has passed away; behold, the new has come." 2 Corinthians 5:17

Bring all the tithes into the storehouse,
That there may be food in My house,
And try Me now in this,”
Says the Lord of hosts,
“If I will not open for you the windows of heaven
And pour out for you such blessing
That there will not be room enough to receive it.
And I will rebuke the devourer for your sakes,
So that he will not destroy the fruit of your ground,
Nor shall the vine fail to bear fruit for you in the field,
Says the Lord of hosts.

~Malachi 3:10-11

Windows of Heaven

God says that when we tithe it unlocks something in the spiritual realm that enables God to start taking action on our behalf. The first thing that happens is that God is able to open up the windows of heaven and begin to pour additional financial blessing into our lives if we're willing to receive it.

That's huge. I mean God is blessing us all the time. He even blesses the ungodly in spite of themselves (Matt 5:45).

But when we tithe to our local church we allow God to supercharge His blessing over our finances. It enables Him to bring increase to our finances in ways that we would never expect.

PUZZLE

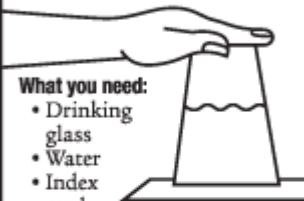

WATER WORKS!

The gospels record Jesus' miracles, many of which involve water.

Directions: Using the illustrated equations, fill in the blanks to describe each miracle. Use the Bible references for help.

UNSEEN BUT active

This experiment illustrates that although God is invisible, we can see his work all around us.

What you need:

- Drinking glass
- Water
- Index card

What you do:

1. Practicing over a sink, fill the glass halfway with water. Then press the index card snugly atop the glass with one hand.
2. With the other hand, hold the base of the glass and carefully flip it over.
3. Remove your hand from the card. It should stay on the glass, without spilling the water! The invisible air in the glass creates a suction with the card, preventing the water from spilling out. Research air pressure to learn more.
4. After perfecting the trick, amaze others with it. Then talk about how God, like the air in the glass, is unseen but active.
