COUNTRYSIDE CHRISTIAN CHURCH

NOVEMBER 2020

From Steve's Desk...

Thanksgiving is a time to reflect over the past year and the blessings God has given us. When I look back over the past year, I can't think of a more unusual and challenging year. From the annual report, what I did during the 2020 Pandemic Lockdown: I sold my house "For Sale by Owner", moved across the state of Iowa, bought a new house, ended a nearly 24 year old ministry, left a school district bus driving job of 10 years, had a car totaled, replaced a car, learned how to do online and parking lot church while starting a new ministry, said goodbye to great friends, said hello to new friends, made changes to the church for social distance church, started a children's program, started a chapel service at a motocross track, took and passed all requirements for a Illinois bus driver's license, started driving in a new school district. . . 2020 might be the most productive year of my life, and I could not have done it without you!

YOU, Countryside, have been a warm, helpful, caring, kind, enthusiastic, encouraging, non-stop blessing. You literally moved me and helped with every part of this incredible year. THANK YOU!

In the past few months I have observed a congregation that is committed to one another, very much enjoys being in fellowship with one another, and enjoys the long history you share together. Countryside has the strongest commitment to missions of any church I have ever been a part of. In Wayne, Roger, and Don, you have Bible-loving men that are relentlessly committed to the ministry of C.C.C. John 13:35 lets us know that we will know our church family by one main characteristic... LOVE. Love defines this church. You have shown Karen and me love.

As to 2021, I can only say that I look forward to working with the elders and committees as we come together to explore new opportunities. There are hundreds upon hundreds of people within a few minutes of our church that need to know Jesus Christ as Lord and Savior. Please be praying that God gives us a clear vision on how to best serve our community and be a beacon for those who are lost.

*In Christ,
Steve*

KIDS' CLUB

EDUCATION HIGHLIGHT

We started this month with another great group of kids for Kids' Club. In our second month, we have gone from our original 14 kids to 26 kids from the Riverdale School District, ages Kindergarten to 5th grade. We have had some new leaders join us and we are so grateful for their help! Our leaders now include: Wayne and Cathy Lotz, Becki Winger, Kathy Kohrt, Sandy Lawrence, Sarah Denekas (and Jasper!), Roger and Connie Curry, Teresa Garcia, Steve Allison, and Laura Schmidt, and sometimes Nathan, and Jacob, and Ellie Johnson as helpers.

We have also had others from the congregation step up to help with specific needs. Chris Evans comes in every Monday morning to get the rooms ready, the leaders' binders updated, copies made, and letters sent out. What a huge help she is!!

We also were privileged to have Bob Gipson come this month to do a Science Demonstration during the Life Lesson time. We so appreciated his expertise and the kids enjoyed it thoroughly!

Please pray for our Kids' Club program: for the leaders as they give their time and energy to help on Wednesday mornings, for the children attending that they would see Jesus in us, and most importantly, that we would be able to form relationships with families that they might come to a saving knowledge of Jesus Christ.

“Helping people to know God and to be obedient to him is perhaps the greatest gift we can bestow. Understood in this way, Christian education can be one of the most compassionate ministries of the church.”

— Perry G. Downs, *Teaching for Spiritual Growth: An Introduction to Christian Education*

MISSION HIGHLIGHT: I.D.E.S.

MISSION HIGHLIGHT

IDES stands for International Disaster Emergency Service. IDES exists to bring glory to God by meeting physical and spiritual needs in our hurting world until Jesus returns. For the past 47 years IDES has served as a channel through which Christian Churches/Churches of Christ and individual Christians could meet the physical and spiritual needs of suffering people throughout the world. The vision statement: "IDES vision is to lead the independent Christian Churches/Churches of Christ in responding to disasters and emergencies in the United States and throughout the world by mobilizing financial and physical resources to and through their missionaries and congregations for the purpose of benevolent evangelism."

IDES has been the one source our churches and missionaries consistently turn to for help. In 2018, IDES celebrated 45 years of meeting physical and spiritual needs of suffering people throughout the world in the name of Jesus Christ. They have distributed millions of dollars over the years to help with disaster relief, development projects, medical needs, evangelism and hunger. Among independent Christian Churches/Churches of Christ, the work of IDES is unique.

"Many recognize that a white flag displayed on the battlefield means 'cease fire'. A request from one of the IDES' mission partners in Guatemala, points up a more recent meaning for the white flag. Many of the assistance requests IDES is receiving each week are related to the COVID-19 pandemic. This has been the case since March, and will likely continue for some time. Often these requests relate to medical needs, but an even larger number are focused on hunger relief.

Thus in Guatemala, white flags flown at the doorway have become a symbol, not of surrender, but of desperation. They are a cry for help. They indicate a home is without food, and its occupants urgently need assistance. IDES' mission partner in one Guatemalan village is Brother Joshua. He ministers to a congregation consisting of about 30 households. On the street where he lives, Brother Joshua recently counted 5 white flags. IDES is partnering with Brother Joshua's mission to feed the families in his church, and many more in the community around them (about 600 people total) for the next 6 weeks.

Through June, IDES has worked with 64 partners in 33 countries and 8 U.S. states to bring COVID-19 relief to hundreds of hard-hit communities like Brother Joshua's." (Newsletter of July 31, 2020)

Currently, Countryside Christian Church is planning a food bag packing event on Oct. 2, 2021. We will be working with the Erie Christian Church for this event. Details will be forth coming.

As you can see IDES is a very busy, global organization meeting a variety of physical and spiritual needs. For more information about their activities check the mission booklet on the mission table in the foyer.

"Devote yourselves to prayer, being watchful and thankful." Colossians 4:2

It's already that time again!!

Why Being Thankful Is a Powerful Way to Live Free

The Lord is my strength and my shield; My heart trusts in Him, and I am helped; therefore my heart exults, And with my song I shall thank Him.” Psalms 28:7

We have so much to be grateful for in this life, every single day. But reality is that sometimes constant life demands, battles, and worries give more room to defeat than to a heart of thanks.

Sometimes it really is a sacrifice to offer praise and thanks. We may not feel like it. We're struggling. We're weary. Or maybe, we feel like He let us down. We think God seems distant, like he's far away, or doesn't really care about what's troubling us. Painful life blows and losses might have recently sent us spiraling.

But here's what can make a lasting difference. We have a choice, every day, to give him thanks. And with a heart of thanksgiving, we realize that no matter what we face, God doesn't just work to change our situations and help us through our problems. He does more. He changes our hearts. His power, through hearts of gratitude and focused minds on Him, releases the grip our struggles have over us. We're strengthened by His peace, refueled by His joy.

No matter what our current situation, or the struggles we may be facing, here's what choosing to be thankful does:

- *It gets our eyes off ourselves, and helps us to focus back on God.*
- *It reminds us we're not in control, but that we serve a Mighty God who is. It keeps us in a place of humility and dependency on Him, as we recognize how much we need Him.*
- *It helps us to recognize we have so much to be thankful for, even all the little things, which often we may forget to thank Him for. It takes our attention off our problems and helps us instead to reflect on the goodness of His many blessings.*
- *It reminds us that God is the Giver of all good gifts. We were never intended to be fully self-sufficient in this life. A grateful heart reminds us that ultimately God is our Provider, that all blessings and gifts are graciously given to us by His hand.*

"I will give thanks to the LORD because of his righteousness; I will sing His praises." (Psalm 7:17)
