From Steve's Desk...

Dear Church Family,

For about eight years I have been a certified Behind-the-Wheel instructor for kids taking Drivers Ed. I have logged hundreds of hours sitting next to people learning how to drive and given them instruction to pass their driving test. As a part of keeping my certifications current, I must take an annual class. A few years back, I attended a class that was taught by the lead driving instructor for the FBI. He drove one main point home repeatedly. He said you must be looking at where you want to end up. If your car begins to slide out of control, you must fix your eyes on the point at which you want to end up and your reflexes will help guide you to where you want to be.

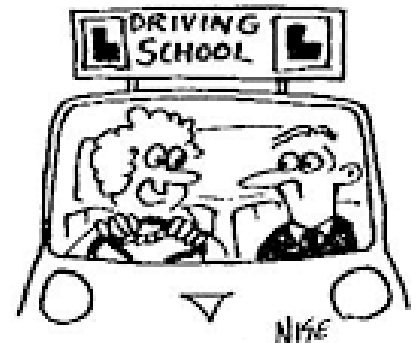

In life, it is so easy to be distracted. We stare at potential problems, worry about difficult relationships, wonder if we have enough money, and fret about our kids.

The Bible tells us to fix our eyes on Jesus, the author and perfecter of our faith. (Hebrews 12:2) When Daniel was in the lion's den and Paul and Silas were in jail, they all fixed their eyes on our all powerful Father who pulled them through the most difficult of times.

Life seems to have a lot of tests. We want to pass the tests. Let me help you pass some of the hardship tests that come: keep your eyes on Jesus.

Steve

“WHICH SIDE OF THE ROAD WOULD YOU LIKE ME TO DRIVE ON TODAY?”

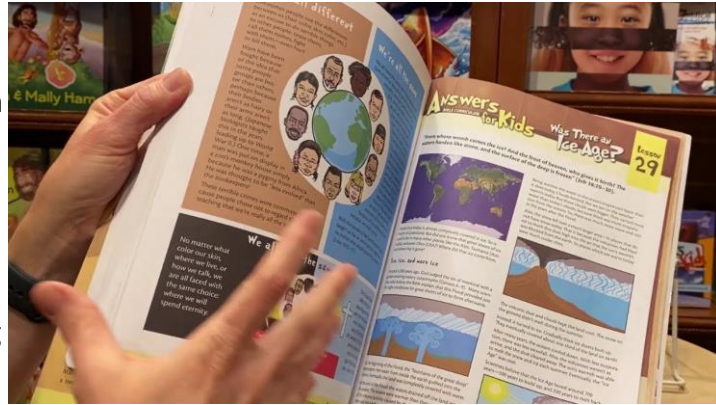

Steve Allison, Minister

“Therefore, my beloved brothers, be steadfast, immovable, always abounding in the work of the Lord, knowing that in the Lord your labor is not in vain.”
1 Cor. 15:58

NEW CURRICULUM FOR KIDS

Hello Everyone,

This month has been busy for the Education Department! We started a new children's church curriculum from Answers in Genesis and it has been really fun! There are a lot of games and songs including a memory verse song that we have been working on. The kids have mastered the New Testament song so we plan on starting the Old Testament song soon.

We also covered how to pray using the acronym ACTS (adoration, confession, thanksgiving and supplication). We also enjoyed Valentine's Day where the class talked about loving God with all your heart, soul, mind and strength from Mark 12:30 and loving your neighbor as yourself from Mark 12:31.

Next month hopefully we will receive new tables and chairs for the Children's Church room! I enjoy all the interesting conversations and fun times that we have in class. If you want to join in on the fun, please let me know. We would love to have you come help out.

Sarah

"There is surely a future hope for you, and your hope will not be cut off." — Proverbs 23:18

No Kids Club or Impact on Wed, March 16th

Last month's Valentine's Luncheon was a wonderful opportunity for the kids to give their handmade Valentines to their families and help serve them dinner. Thank you to the families who were able to attend and to such hard-working volunteers!

We are moving into March with Kids Club and that brings with it Spring Break and our Beach Party!!

There will be **NO KIDS CLUB OR IMPACT Wednesday, March 16th** because of Spring Break but join us **THAT SATURDAY** for our annual spring party! This year's theme is "Beach Party"!

A vibrant beach-themed graphic with a smiling sun wearing sunglasses, palm trees, a life preserver, and a coconut drink. The text "KIDS CLUB" is in a bubbly font at the top.

MOVIE NIGHT

In Impact the last few months, Steve has really been laying a foundation of Biblical truths, how we can know that there is a God, and what does that mean for each of us. Our first movie night was Saturday, February 19th watching God's Not Dead. We had a great turnout and everyone seemed to enjoy the movie. We look forward to more movie nights in the future!

We are also encouraged to see the kids inviting their friends and our group starting to grow. Please pray for this group as it gets started and that the truth and love of God would start to take root in their hearts.

*But God demonstrates His own love toward us, in that while we were yet sinners, Christ died for us.
Romans 5:8*

REACHING OUR COMMUNITY

Easter is right around the corner! The Evangelism Department has already been spending hours planning this year's celebration!

The times of the services that Sunday are below. We would appreciate any donations of candy in the coming weeks that we can use to fill the Easter eggs! We typically have about 100 kids that morning so that is a lot of eggs!

Keep an eye on the volunteer table in the lobby for sign up sheets for Easter breakfast or any other way you can get involved. We are excited to reach our community with the good news this Easter!

A banner with a watercolor background in shades of green, yellow, and orange. The word "CELEBRATE" is in small white letters at the top left. "EASTER" is written in large, bold, white letters across the center. Below it, "at COUNTRYSIDE CHRISTIAN CHURCH" is written in blue. On the right side, there is a photograph of several colorful Easter eggs (red, yellow, blue) in green grass.

MISSION HIGHLIGHT: I.D.E.S.

IDES stands for International Disaster Emergency Service. IDES exists to bring glory to God by meeting physical and spiritual needs in our hurting world until Jesus returns. For the past 48 years IDES has served as a channel through which Christian Churches/Churches of Christ and individual Christians could meet the physical and spiritual needs of suffering people throughout the world. The vision statement: "IDES vision is to lead the independent Christian Churches/Churches of Christ in responding to disasters and emergencies in the United States and throughout the world by mobilizing financial and physical resources to and through their missionaries and congregations for the purpose of benevolent evangelism."

IDES has been the one source our churches and missionaries consistently turn to for help. In 2022, IDES celebrates 49 years of meeting physical and spiritual needs of suffering people throughout the world in the name of Jesus Christ. They have distributed millions of dollars over the years to help with disaster relief, development projects, medical needs, evangelism and hunger. Among independent Christian Churches/Churches of Christ, the work of IDES is unique.

IDES is currently working in Afghanistan providing aid to displaced persons. In recent years they have provided over \$750,000 of assistance. Since the Taliban takeover on August 15th, things have been even more difficult and this winter the needs are even greater. IDES is committed to providing at least \$250,000 in winter relief for those suffering in Afghanistan, and for the refugees who have fled to surrounding countries. Additionally they are working to secure opportunities to provide help and hope to Afghan refugees here in the United States.

During this past year IDES has partnered with CMFI in the Turkana Farms in Kenya, a project of creating irrigated farms. Five irrigated farms have been established to provide a sustainable source of food and income for more than 500 people. Five additional farms are in the process of being built.

In Tennessee and Kentucky they are also providing aid for those impacted by the tornadoes. Many sheds have been built and more are on the way. These small buildings provide a place for families to store their belongings while their homes are being reconstructed.

Whenever there is an emergency either man made or by Mother Nature IDES is "the boots on the ground" providing aid and spreading the Gospel message.

As you can see IDES is a very busy, global organization meeting a variety of physical and spiritual needs. For more information about their activities check the mission booklet on the mission table in the foyer.

SEEKING GOD

As I write this, the media is filled with reports of Russia invading Ukraine. As many people rush to evacuate, many pastors and Christians have chosen to stay. Vasyl Ostryi, a pastor at Irpin Bible Church 18 miles northwest of Kyiv and a KTS professor of youth ministry said "When this is over, the citizens of Kyiv will remember how Christians have responded in their time of need. We will shelter the weak, serve the suffering, and mend the broken. And as we do, we offer the unshakable hope of Christ and his gospel."

Photos of Ukrainians kneeling to pray in public are moving even to those who do not believe. The Bible App (YouVersion) has noticed an increase in Russians and Ukrainians reading and searching for "peace". The Ukrainian Bible Society has almost sold out its entire 2022 stock of Bibles in only the second month of the year. The churches are filled with new people – not just on Saturdays and Sundays – but also through the week. They are desperate for a word of hope.

"Please pray about Russian Christians that they would raise their prayers and voice toward Russian government to stop the aggression; [that they] would not keep silent; please pray for the Western governments, of the US and European Union.

Finally, please pray about Ukrainian Christians, that we will serve and live as the community of hope in a full sense of this term; that during these terrible times we would invite more and more people to the relationships with God and His children, to the relationships of love, hope, encouragement, support; that our minds and characters would continue to transform into the character of Jesus Christ."
(Christianity Today, Feb 2022)

Friday, March 4th is the World Day of Prayer. This day is a day that Christians from over 170 different countries come together in spirit, uniting on a common day to pray for relevant issues. The focus is informed prayer and prayerful action.

Won't you join with Christians around the world praying for our brothers and sisters in Christ, not only in Ukraine, but all around the world who face persecution daily? May God's peace reign in the hearts of his children, may many come to believe as they search for hope, and may God's will be done on earth.

Laura

We are now taking orders for Easter Lilies! They will be \$10 each and can be given in memory or celebration of someone. They will be delivered to the church before Easter and you are welcome to take them home with you after the service on April 17, 2021.

Orders are due by Sunday, March 27th.

"Don't be anxious about anything; rather, bring up all of your requests to God in your prayers and petitions, along with giving thanks." — Philippians 4:6

"But if someone who is supposed to be a Christian has money enough to live well, and sees a brother in need, and won't help him - how can God's love be within him?"

—1 John 3:17

You know that the hardest thing for you to give up is your money. It represents your time, your energy, your talents, your total personality converted into currency. We usually hold on to it tenaciously, yet it is uncertain in value and we cannot take it into the next world. The Scripture teaches that we are stewards for a little while of all we earn. If we misuse it, as did the man who buried his talent, it brings upon us the severest judgment of God. The tithe is the Lord's. If you use it for yourself, you are robbing God. We are to take the tithe as a standard, but to go beyond the tithe is an indication of our gratefulness for God's gifts to us. In the midst of sorrow and trouble, this life has many blessings and enjoyments which have come from the hand of God. Even our capacity for love is a gift from God. We show our gratitude by giving back to Him a part of that which He has given to us.

MY FAITH PROMISE TO WORLD MISSIONS

After a period of much prayer and discernment, I/WE promise to support the worldwide missionary program of the Countryside Christian Church over the next year. In total dependence upon God for HIS provision, it is our promise that "As God Gives, So Shall We Give." By faith, I/We promise the following amount of money:

\$ _____ Annual Total

Note: This is a faith promise, a covenant between myself and God. It is my voluntary offering for the evangelization of the world.
