And thank you Melissa Meese for teaching it to them!

Early Dismissal **wednesday**

April 27th is an early dismissal so our adjusted time of

Kids Club & Impact will be 11:30am-1:30pm.

The students can still ride the bus (Bus #35) to the church and we will feed them lunch.

Our church loves the chance to pray for our Kids Club program and for the kids individually. We set up a mailbox at church where they can leave the kids encouraging cards or silly notes. The kids have loved receiving these surprises and we encourage them to write back if they want to!

Sometime, in the future, we may plan a special "Pen Pal" luncheon at church for families!
